

# Maritime Web Awards

*The Maritime Web Awards exist to encourage maritime information and education on the internet. Websites that provide non-commercial information about some aspect of the maritime world, whether historical or contemporary, are judged according to the accuracy of the information provided, as well as the design of the website and ease of finding information within the site. Sites that provide unique and interesting information are highly graded.*

## **Mercantile Convoy CU 49 of 1944**

*In the option of the Maritime Web Award judges at time of submission, the above website created by Mark C Keever displays a very useful contribution to maritime education on the internet and has been awarded our Silver Maritime Web Award, which is to be formally announced on the Non-European section of the International Maritime Web Awards website, which can be viewed at <http://www.stevesmaritime.com/award5.html>*
